

**IMPORTANT INFORMATION for all MoWSA clients resident in
Potential Fire Danger Areas - Fire Ban Districts**

As a resident and a MoWSA client, living in a location within a Fire Ban District, please note that on days officially rated as having a...

**CATASTROPHIC (CODE RED) FIRE
DANGER RATING**

NO meal will be delivered to you from your local Meals on Wheels Branch.

We would suggest that you listen carefully to fire warning information during the fire danger season.

Fire danger rating is based on CFS classifications and will be announced with the weather forecast by 4pm the day prior, by radio and television and via the CFS:

CFS website www.cfs.sa.gov.au

CFS Fire Ban Information Hotline 1300 362 361

We encourage you to be prepared for any emergency.

Particularly you do need to have arrangements in place for leaving your home early and going to somewhere safe.

The CFS have advised that the best option on days with a Catastrophic Fire Danger days, for residents in fire danger areas, is to leave their home EARLY and go to a safe location e.g. family, friends, etc. and not to return to their home until it is safe to do so.

You will find helpful information on the CFS website or contact number above.

We also advise that we will not conduct any wellbeing checks on these Code Red days.

Please plan early!
